Imranp1210@gmail.com

Jormand Building,
Al Qasimiya, Sharjah
UAE.

PERSONAL PROFILE

Versatile Chemist works with different types of chemicals, compounds, and materials. Proficient in performing tests, documenting results, and writing papers. Well-organized and detail-oriented with good project management and planning abilities developed over the Pharma industry and chemical industry and Two months certificate training on "Laboratory Assistant for Eco-friendly Food Testing Laboratory."

PERSONAL PARTICULAR

Date of Birth : 12/10/1990
Marital Status : Married
Nationality : Indian
Passport No : L6261944

EDUCATION

Post Graduate Diploma Computer Application- June 2015

AISECT Institute

AISECT Computer Institute.

Marks -70.30%

Anand, Gujarat, India.

Master of Science, Organic Chemistry - April 2014

B C J Science College Gujarat University.

Marks-5.54 [CGPA]

Khambhat, Gujarat, India.

Bachelor of Science, Chemistry -April 2012

Patel J D K Davolwala Science College, Borsad Gujarat University.

Mark-56.00%

Borsad, Gujarat, India.

PERSONAL EXPERIENCE

Gujarat state Fertilizer & Chemical Limited.

July 2020 - Sept 2021

- Handling of different physicochemical Instruments like Moisture, Chromatography & Analytical instruments like (UV, HPLC, GC, Etc.).
- Works at any other lab in like Methanol Lab, PG Lab, Sulphuric acid Lab and ETP Lab etc. systems).
- Managing various activities including **laboratory operations, sample handling** as well as **operations& maintenance**.
- Contributing in preparing **chemical & physical analysis, standards & instruments calibrations** as well as preparing **daily, weekly and operation laboratory results**.
- Documenting information by maintaining **daily logs and equipment record books**.
- Keeping **laboratory supplies** ready by inventorying stock; placing orders & verifying receipt
- Supporting **laboratory staff** by maintaining glassware; and resolving problems & helping with special projects.

Mamlatdar and Executive Magistrates' Office.

Mamlatdar, Petlad (July 2018 -May 2019)

Mamlatdar, Khambhat (Dec 2016 - June 2018)

- Monitor and evaluate the implementation of MDM. To check the delivery of relevant services for the effective implementation of food and nutrition.
- To monitor and evaluate distributing of entitled food grains or meals and to entrance.
- Timely release fund to the district to sub-divisional and school.
- To assist the director of national food security. School inspection to be carried out regularly.
- To find out that food grains are supplied regularly. To see the kitchen and food store Quality and sanitation hygiene of grains and cooked food.
- To check the Hygiene and cleanliness aspects in the kitchen and its surrounding area.
- ECE's other activities such as Electoral Duty, all kinds of computer-related works, administrative work, and supervision of other work related to local government authorities.

TRAINING & PROJECT

- A training session of 21 days was undertaken at Vital Formulation Limited (VitalUdyognagar, Anand).
- Done training in a Molecule laboratory. (Duration: 1 Month 15 Days).
- Two months certificate courses on "Laboratory Assistant for Eco-friendly Food Testing Laboratory" by Consumer Education and Research Centre; Ahmedabad sponsored by Ministry Of Environment Forests and Climate Change.

CORE COMPETENCIES

- Laboratory Operations
- Instrument Handling
- Report Preparation
- Dry & Wet Analysis/Chemical & Physical Analysis
- Equipment Calibration
- Chemistry Techniques
- Operations & Maintenance

SKILL SET

- Team Player & Planer
- Communicator
- Analytical
- Time management
- Positive attitude

LANGUAGE

- English ★ ★ ★ ★ ★
- Hindi ★ ★ ★ ★ ★
- Gujarati ★ ★ ★ ★ ★

PERSONAL EXPERIENCE

Molecule Laboratory.

Dec 2014 - Nov 2016

- Sampling and testing of raw materials, intermediates, and finished products using current pharmacopeias, any associated wet chemistry, and instrumental techniques (HPLC, GC, IR, and UV) as appropriate.
- Preparing Quality reports, including analytical reports (for raw materials and finished products), Certificates of Analysis (CoA) (for finished products), and stability reports.
- Handling of different physicochemical Instruments like (ELISA KIT, Moisture, Chromatography systems) and Analytical instruments like (UV, HPLC, GC, etc.). Writing analytical specifications using current pharmacopeias and reviewing existing analytical specifications.
- Carry out different stability tests of the product.
- Calibration of different lab instruments and record keeping.
- Complying with different GMP, GHP, GDP, and health safety policies.
