

ENGR. ARSLAN NAZIR

Electrical Engineer

Male

March 09, 1996

arslan.nazir9494@gmail.com

+923023326016

arslan-nazir-2bb9291ba

Bhera, District Sargodha, Pakistan

OBJECTIVE

Learning new skills, explore the world, I want to approach new technical era.

SKILLS

Language:

English, Urdu, Punjabi

Skills:

Team management, Analytical thinking and innovation, Active learning and learning strategies, Critical thinking and analysis, Complex problem solving.

INTERESTS

I like to listen Motivational songs & Motivational speaker, like to play Cricket, Morning walk, Help poor people, Struggle for new achievement, Discover new things, Observes things deeply

EDUCATION

Balochistan University of Engineering & Technology District Khuzdar, Area of Study BE Electrical

February 2017 - March 2021

CGPA

3.32/4.00

Punjab College Sargodha, BISE Sargodha, Area of Study FSc (Pre-Engineering)

August 2014 - September 2016

Marks

759/1100

A.I Model High School Bhera, BISE Sargodha, Area of Study Matric with science

August 2012 - July 2014

Marks

832/1100

WORK EXPERIENCE

ABM Packages, Electrical Engineer

MAY 2022 - STILL WORKING

Maintenance and Installations of AC machines, Electronic circuits diagnostics and repairing, Low Voltage and High Voltage Installation, Electrical schematics drawing reading and new circuit design, Diesel Generator operation. Electrical Panel Installation and construction, Variable frequency drives and Variable speed drives parameters setting and installation, PCB trouble shooting and diagnostics, Single phase and Three phase wiring designing and installation, Electrical Measurement and instrument, PLC Connections and Troubleshooting, PLC Ladder Logic programming, Soldering PCB circuits. Corrugator Machine operations, Solar and UPS installation and estimation.

Alif Techno, Electrical Supervisor

SEPTEMBER 2021 - APRIL 2022

LED SKD Assembling and Distribution Company, Soldering 12 Volts and 18 Volts output Drivers with Chip, Management, PCB Analysis, Proteus Work and simulations, LED Analysis, Packing Designing.

Kohinoor Spinning Mills No:03 Ltd

Chakwal, Assistant Engineer Electrical

MARCH 2021 - AUGUST 2021

Electrical Maintenance and Installations of AC machines, Electronic circuits diagnostics and repairing , Low Voltage and High Voltage Machines installation and Maintenance, Electrical schematics drawing reading, Electrical Panel Installation and construction, Variable frequency drives and Variable speed drives parameters setting and installation, PCB trouble shooting and diagnostics , Single phase and Three phase wiring and troubleshooting, Electrical Measuring Instruments Usage (Multimeter, Tachometers, Ampere meter, Temperature gun extra). PLC Connections and Troubleshooting, PLC Ladder Logic, Soldering PCB circuits, (Auto cone, Ring, Simplex, Finisher, Card and Blow room all Machines electrical troubleshooting and maintenance.

HONORS & AWARDS

2019: I participated in Pakistan Innovation Building buy and sell technology in 2019 which was held in University of Balochistan, The Organizer of this submit was all Reputed companies like TESLA Islamabad, SBK, SRC, TRIPLEHELIX, SATHA and PSEB extra. All universities of Pakistan was invited in this submit. I got Technology Award, Participated as inventor. CM Punjab awarded me with Technology Award and Cash prize.

CERTIFICATIONS

2018: MS Office, Check Online Certiport, ShxX-uGol

2018: Innovation Submit Certification, UET Khuzdar

2019: Innovation Submit, UOB, Technology Award

2013: District Hard Ball Cricket Certificate, Bise Sargodha

2013: District Badminton Certificate, Bise Sargodha

2021: English Proficiency Certificate, UET Khuzdar

2019: Graphic Designing Certificate, Digiskills

2019: Freelancing Certificate, Digiskills
