

RESUME

MOHAMMAD ISHTIYAQUE

India from bihar

Current status:-Dubai

Mob.no. +971565525692

Whatsapp:-+919915904256

Email:- mdishtiyaque422@gmail.com

SYNOPSIS

-
- Manage the resource planning, trouble shooting, tracking progress and work front creating for timely, proper and safe execution and completion of the project and handled quantity measurement for certification for contractor billing.
-
- Well versed in reading & Installation of P&ID and Isometrics, sequencing and rigging of piping action installation of various piping supports and various in line piping specials like orifice, different valves.
- Familiar with the piping code and standards, quality and testing practices, safety requirements and productivity norms in general.
-

CORE COMPETENCIES

Layout

- Checking all certificate for tools and equipment's certified or not with valid date.

Permit co-ordinator

- Create the permit according to the work there for example, open flame, hot work, cold work.
- Required attachment as per permit processing open flame, hot work, Cold work.
- Mark up P&ID and Isometric drawing as per work condition.
- SWP attachment as per Client procedure, there for Example- OF, Portable grinding, Hot Bolting, Critical lifting, CSE, Excavation, Work at height etc.
- Certificate attachment as per permit requirement.
- PA/PR apply the permit as per Client procedure.
- Apply the e-material pass as according to work.

Piping Execution

- Monitoring daily activities on day to day basis and matting targets of construction schedule
- Attending the regular progress review and progress monitoring matting
- Managing the systematic planning of the job to enable timely and mobilization of resource

- Well reversed with safety procedure at work site to maintain “Accident free site”
- Delegating day to day activities to engineer, foreman for execution of field activities to meet construction schedule.
- Fabrication and construction of CS, SS and alloy steel – processing piping and utility systems.
- Conduct regular meeting with subordinates / sub-contractors for progress monitoring

Engineering & Project coordination

- Preparing the complete test packages (Hydro, Pneumatic, Visual) including the check list and all applicable reports as per commissioning marked P&ID.
- Coordinating with consultants and subcontractors for necessary changes.
- Monitoring installation and testing of the piping work, valve and other piping items.
- Review hydro test package, carry out inspection of the line prior to testing.
- Line checking, preparation of punch list as per test packages and maintaining traceability of punch list close out process
- Joint inspection with client for pre inspection for pressure test, conducting pressure test, re-instatement of piping system.

Quality assurance / Quality control

- Guiding the implementation of QA / QC procedure
- Maintaining and implementing departmental procedures, quality plane, and work instruction, checklist and job qualification in line with global quality standards.
- Monitoring process identifying deviations, addressing variation through corrective measures, recommending modification & equipment calibrations to enhance operational efficiency.
- Radiography testing source of x- ray or Gama- ray.
- Fit-Up inspection
- Fabrication & Erection of pipe sports.
- Study isometric drawing & erection of spool as per drawing.
- Ensure that all weld meet the project requirement & in according to WPS.
- Monitor record & cleaning of QC related punch points.
- Conduct the visual inspection of the welds.
- Prepare the offer for the radiography test for the welding joints.
- Routine inspection of progress work.
- Prepare the daily progress report & mention.

WORKING EXPERIENC

Company Name: - Machino plastic ltd
 Title : - Graduate Engineer Tranning(GET)india
 Period : -10 /09/2020 TO 15/11/2021
 Company Name:- Stallion Labour supply llc.(Dubai)
 Title :-Foreman
 Period :-01/07/2022 TO Running

EDUCATIONAL QUALIFICATION

Qualifications	Board/University	Institution	Passing Year
B. Tech (MECHANICAL)	JALANDHAR (PUNJAB TECHNICAL UNIVERSITY)	K.C. ENGINEERING COLLEGE (NAWANSHAR)	2019
SENIOR SECONDARY SCHOOL (12 th)	L.N.D.COLLEGE MOTIARI	BIHAR BOURD	2015
HIGH SCHOOL (10 th)	S.G.M.HIGH SCHOOL RAMGARHWA	BIHAR BOURD	2013

STRENGTHS

The ability to Work in a team. Hard-working with lots of patience, Organizing Capabilities, Positive Attitude, Self-confidence.

ADDITIONAL SKILLS

Adobe Photoshop, , Basic knowledge of MS Office, Basic knowledge of CAD.

CERTIFIED in ASME NDT LEVEL II, DPT, RT, UT, MPT, VT

HOBBIES

Reading Books, Playing cricket, Listening speech,Listening music.

PERSONAL DETAIL

NAME	: -	MOHAMMAD ISHTIYAQUE
FATHER NAME	: -	MOHAMMAD NAIEM MIYAN
DATE OF BIRTH	: -	02.DEC.1998
NATIONALITY	: -	INDIAN
RELIGION	: -	ISLAM
MARRITAL STATUS	: -	SINGLE
LANGUAGE KNOWN	: -	ENGLISH, HINDI, URDU

PASSPORT DETAILS:

PASSPORT NO	:	-	T-9027066
PLACE OF ISSUE	:	-	PATNA
DATE OF ISSUE	:	-	27/11/2019
DATE OF EXPIRED	:	-	26/11/2029
